REMARKS

It is believed that Group I should contain claims 1-14 rather than the indicated claims 1-10. It is believed that Group II should contain claims 15-18 rather than the stated claims 11-18, as claims 15-18 relate to a web based method.

In response to the requirement of restriction, applicant hereby elects the claims of Group I which, in view of the amendments made herein, contain claims 1-28.

More particularly, claims 15-18 have been made dependent on claim 1 and are therefore in Group I. Claims 19-28 have also been made dependent on claim 1 and are therefore also in Group I.

Claims 29-32 are non-elected.

An early action on the merits is requested.
